**REMARKS**

Applicant wishes to thank the Examiner for considering the present application. In the Final Office Action dated July 22, 2005, Claims 1-17 are pending in the application.

Applicant has noticed that a portion of Claim 1 was inadvertently not deleted in the response to the Office Action dated February 9, 2005. Claim 1 did not make sense without the removal of the words "of an analog broadcast signal" in lines 8 and 9, and thus Claim 1 has been amended. The specification clearly distinguishes analog and digital broadcast signals.

In light of the amendment and remarks above, Applicant submits that all rejections are now overcome. The application is now in condition for allowance and expeditious notice thereof is earnestly solicited. Should the Examiner have any questions or comments which would place the application in better condition for allowance, the Examiner is respectfully requested to call the undersigned attorney.

Respectfully submitted,
